Dear Ian:

I am writing to thank you for playing a role in the recent visit to BC by the film crew from China Shandong Satellite TV.

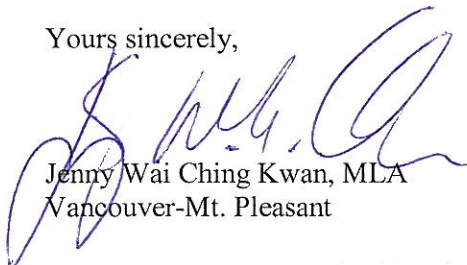

The tour took them to the Okanagan, Thompson-Nicola, Fraser Valley, Langley, Richmond, Burnaby, Whistler, and Cowichan Valley areas where they had opportunities to get footage of BC's diverse agricultural landscapes, agricultural products, and beautiful scenery. The tour provided a great opportunity for us to showcase British Columbia to an audience that has little information about BC. Our beautiful land, varied climate conditions, and knowledge base combined enable BC to offer a wide range of high quality products.

We expect that this will result in some 10 episodes of the "Village" program, which may reach an audience of up to 700 million people. Airing is expected to start in the fall of this year.

The success of the tour owes a great deal to the many people who helped us put the tour together. I want to thank you and Alan for playing a part in this, especially for showing us the project at the Terra Nova Schoolyard.

With my thanks and best wishes,

Yours sincerely,

Jenny Wai Ching Kwan, MLA  
Vancouver-Mt. Pleasant
