Dear Mr. Lai:

On behalf of City Council and the City of Richmond, I would like to take this opportunity to congratulate you on winning the Star of Richmond Award, presented at the 7th Annual "Volunteers are Stars" Gala Dinner and Awards on December 5, 2007.

As a volunteer, you have played a very important role in Richmond. The leadership you exhibit, and the enthusiasm you bring to your many and varied volunteer efforts set an example to everyone in the community and volunteer sector. You are to be commended for taking the initiative towards healthy living by creating the Terra Nova Schoolyard Society. Its principle of "learn, grow and nourish" has made a positive impact in our community, especially for our young adults.

Please accept my best wishes for continued success in all your volunteer initiatives.

Yours truly,

Malcolm D. Brodie
Mayor
